# AGILE PHILANTHROPY

VISION:

For   the Agile Community

Who   need and opportunity to give back

         Agile Philanthropy is a structured channel

That

- Experience Agile with Thought Leaders
- Help a worthy cause
- A few structured days with fellow enthusiasts
- Technical assistance for non-profits
- Access to the people and organizations who need help

Unlike scattered, individual efforts

Our community will coordinate and focus efforts of many for the greater good
